Globe Scientific Achieves Certification as a Women Owned Small Business

Globe Scientific Inc., Mahwah NJ Globe Scientific Inc., an ISO certified worldwide supplier of laboratory plasticware, glassware and bench-top equipment, proudly announces that it is now a **CERTIFIED** women-owned business.

National certification as a Women's Business Enterprise (WBE) and a Women Owned Small Business (WOSB) was awarded to Globe Scientific by the Women's Business Enterprise National Council (WBENC), the nation's largest third-party certifier of women-owned and operated businesses in the US.

By actively including women-owned businesses in their portfolio of suppliers, corporations and government agencies can demonstrate their commitment to the development of supplier diversity programs and to fostering a culture of diversity. As a certified Women Owned Small Business, Globe Scientific can add diversity to your supply chain and help you meet or exceed program goals.

Founded in 1983 by the Diamond Family, Globe Scientific is committed to customer satisfaction and to providing our customers with high-quality products, innovative solutions and exceptional customer support.
